

ΑΡΓΟΛΙΚΟΣ ΚΟΛΠΟΣ

ΚΛΙΜΑΚΑ 1: 345 000

The map contains extensive text labels for various locations and geographical features. Major cities and towns include Nemea (Νεμέα), Argos (Αργός), Epidaurus (Επίδουρος), and Troezen (Τροιζήνα). Smaller locations like Mycenae (Μυκήνες), Tiryns (Τίρυνθα), and Nauplia (Ναυπλίο) are also labeled. The map also shows numerous islands in the region, such as Aegina (Αίγινα), Hydra (Ύδρα), and Peloponnese islands like Argolis (Αργολίδα), Corinthia (Αχαΐδα), and Laconia (Λακωνία). Topographic features like mountains (e.g., 1616, 1272, 1199) and rivers (e.g., Ινάχος, Αρκαδικός) are marked. The map uses a color-coded system for roads, with red lines for major routes and orange lines for secondary roads. A grid of latitude and longitude lines is also visible.
